Cleaning Instructions

Wood - only use a soft cloth.

Brass - all types: Use a soft dry lint free cloth.

Bronze, Nickel, Silver & Chrome: Use a dry cloth only, no chemical cleaners.

Glass: We recommend using a strong alcohol such as isopropyl alcohol. Note: some modern cleaning solutions can contain chemicals that can leave a greasy film on glass.

Gilt Wood: Use a dry cloth only.

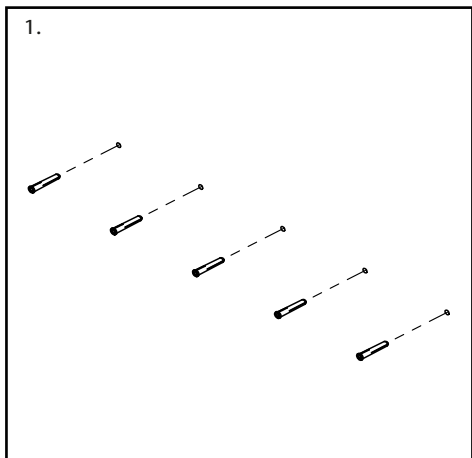

Lacquered Furniture: Furniture polish

-Any decorative parts made from other materials must be removed and cleaned separately to avoid damage.

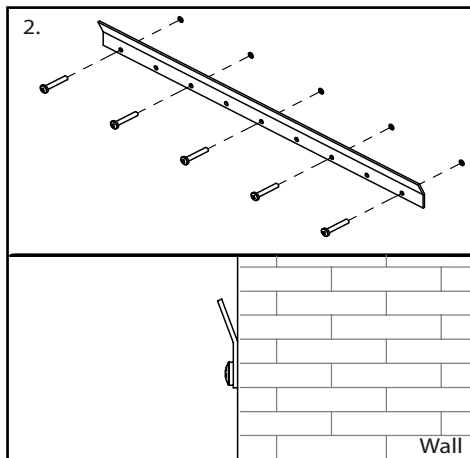

Installation Guide

Safety Information - Read Before Installation

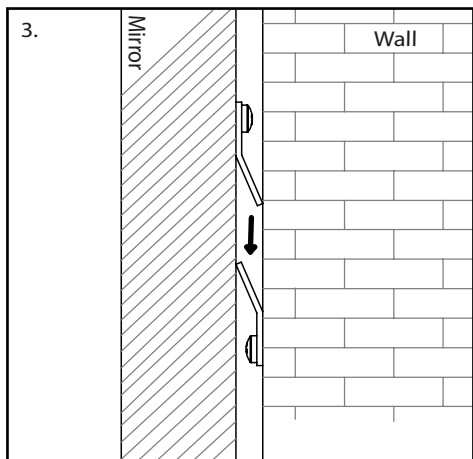

- Two person professional install is advsied.
- Assess the mounting surface will support in excess of 40kg.
- Before making an fixing holes, check that there are no obstructions hidden beneath the mounting surface such as pipes or cables.

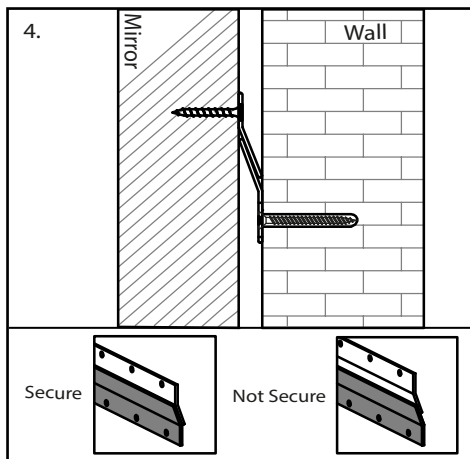

At the desired install location, mark and drill holes using the Z Bar as a guide. Ensure the Z bar is level. Insert the wall plugs into the mounting surface.

Use the screws provided to mount the Z Bar so that the top of the Z Bar is away from the wall. Ensure the Z Bar is secure.

Carefully slide the mirror over the top of the Z Bar mounted to the wall, so the two Z Bars align & connect.

Make sure the mirror is stable and securely fitted before releasing the mirror.
