

## Imari Vase – Green Medium

Based on original 17th century Imari Japanese porcelain, the name of the lamp derives from the Imari Port where ceramics were exported West to Europe. Hand-painted with natural floral motifs, the colour palette of deep coral-red and cobalt-blue with softer yellows and green, creates an artful quality. This lamp is only photographed with a giltwood base, other options are available and the price will alter according to your selection. Last few remaining, please contact the showroom for availability.
