

Imari Vase – Green Small

The Green Imari Vase Lamp is based on original 17th century Imari Japanese porcelain. Its name derives from the Imari Port where ceramics were exported West to Europe. Hand-painted with natural floral motifs, the colour palette of deep coral-red and cobalt-blue with softer yellows and green, creates an artful quality. The Imari Vase is only photographed with a giltwood base. Other options are available and the prices will alter according to your selection.
