

Mingora with Katora Embroidered Linen Border

Based on an 18th century original found in an antique shop in Tangier, this embroidered linen is centred around a distinctive, floral motif. Carefully stitched in a striking carmine red hue, it echoes the aesthetic of designs found in the Swat Valley region. The Mingora Embroidered Linen is shown here with the Katora Embroidered Linen Border. Both sold separately. Available for pre-order. Stock due early August. All fabrics are priced per yard length. 2 yards minimum order.
